

Tor Bridge Family Basketball

Monday 07th November 2016—Our first Tor Bridge Family Primary Basketball event. Children from our local primary schools were invited to come along today to learn some skills and take part in some friendly Basketball games. On arrival, 3 of our Tor Bridge High Young Leaders—Josh, Matt and Brandon, welcomed the groups and got them underway with some warm up games and some skills. The three boys were fantastic with the children; they organised some great activities which focused on various skills such as dribbling, shooting and passing and shared their knowledge and enjoyment of the game inspiring them all to try hard and achieve a level of success. We were fortunate enough this afternoon to be joined by players from the Plymouth Raiders Basketball team; they joined each of the groups and gave some useful coaching advice and tips to all of the children to help them to improve their skills and knowledge of the game. After trying a number of activities we mixed all of the schools up so that there were different children working together—it was time to put their new skills in to action. We played a Round Robin event which our young leaders refereed and each team was coached by several Raiders players. Every child taking part received a certificate today and there was soon a rush to get these auto-graphed. Congratulations to all who took part today, you all played incredibly well. Thank you to Plymouth Albion Raiders for coming along to support us and a huge thank you to Josh, Matt and Brandon who were true role models throughout the whole afternoon.

Miss Crowther

PE Specialist Teacher for Tor Bridge High.
