

Tor Bridge Family Y5/6 Football

Tuesday 06th December 2016—It was a chilly one this afternoon for our annual Tor Bridge Family Y5/6 Football festival. 5 teams came along this afternoon to take part and aim for the top spot overall. As well as some of our family schools (Bickleigh Down, Leigham and Thornbury x2) we were pleased to welcome along Woodfield Primary. It was great to see so many young people taking part and enjoying playing. As always we had some fantastic young leaders from Tor Bridge High on hand to warm up the teams, coach and referee the games—they did a brilliant job as always—thank you all so much! We played a round-robin style event with every team playing each other. Points were awarded depending on the result from each game—5 points for a win, 3 for a draw and 1 point for a loss. The team finishing in top spot today was Leigham Primary school—congratulations to all of you! A very close second were Woodfield who conceded a goal to Leigham in the last minutes of their game—well done to all of you, you played incredibly well. The standard of Football across the board was really high—regardless of where you finished in the table you should all be proud of your performances—all of your teachers certainly are. Full table of results below.

Bring on the next event in the new year. Well done everyone.
